

Business Insurance designed exclusively for the

Construction Industry

The Canadian Construction Industry is faced with an extremely difficult and competitive environment. The fluctuating economy, fierce competition for new projects, increased raw materials costs, and the scarcity of skilled labour are putting more pressure on an already thin profit margin.

We understand this challenging environment. The CG&B Group have expertise in structuring an insurance program for Contractors involved with residential and commercial projects, emergency services, and industrial installations in Canada or around the world.

Our specialist will partner with you to design an insurance program that is cost effective and addresses your Company's unique exposures to loss. Some special features may include:

- **Failure to Perform Coverage**
- **Design Errors & Omissions Coverage**
- **Surety / Bonding Facilities**
- **Wrap-up Liability Coverage Protection**

In addition to the above, the insurance program we recommend may include other insurance coverage that will protect the tangible and intangible business assets, such as:

- **Property & General Liability Insurance**
- **Contractors Equipment Insurance**
- **Pollution Insurance**
- **Director's & Officer's Liability Insurance**
- **Builders Risk Insurance**
- **Wrap-up Liability**

As an independent insurance broker, The CG&B Group Inc. implement customized insurance coverage solutions for our clients and recommend comprehensive risk management techniques. If you do experience a loss, we will represent you throughout the adjusting of the claim and ensure that it is handled in a professional and timely manner.

Successful businesses thrive by having a great team in place. We want to be part of your team, as your trusted insurance and risk management advisor.
