Arthur J. Gallagher & Co.

A new **partnership**, a continued **commitment** to our clients.

We are pleased to be able to confirm to you that CG&B Group's senior shareholder, Noraxis Capital Corporation, has been acquired by Arthur J. Gallagher & Co. (AJG).

CG&B GROUP AND AJG share the same fundamental business philosophy, firmly focused on clients, teamwork and integrity. We are both people-focused organizations driven by a passion for delivering value, service and quality to our clients. Although AJG is one of the world's largest insurance and risk management firms, despite

their size, they share a similar belief to ours: that every one of our clients has a unique set of insurance needs. We believe our service will only get better with this new global reach and access to global expertise.

BUSINESS AS USUAL

Although we are now part of a global insurance group, all your insurance and risk needs will continue to be looked after by your existing contacts, from your usual office, and with the same phone numbers. It is very much 'business as usual' for us and we look forward to continue being your insurance partner of choice both now and in the future.
